

Majd's Forest Adventure

Majd walks through the tall trees. The sun
shines bright. Birds sing sweet songs. Majd
feels happy and curious.

Suddenly, a little rabbit hops to Majd. 'Help us!' it squeaks. 'The stream is blocked!' Majd nods, ready for adventure.

Majd and the rabbit find a big pile of leaves.
Together, they push and pull. It's hard work, but
teamwork is fun!

With a final big shove, the leaves move! Water flows again. All the animals cheer! Majd feels proud of their hard work.

Next, Majd sees a bird with a tangled wing.

'Don't worry! I will help!' Majd gently untangles
the bird with care.

The bird flaps its wings. 'Thank you, Majd!' it chirps. Majd feels warm inside. Helping friends is the best feeling.

A young child with dark hair and blue eyes, wearing a blue long-sleeved shirt and grey pants, sits on a mossy forest floor. The child is holding a handful of red berries and nuts. To the left, a small grey rabbit sits looking at the child. To the right, a small hedgehog sits looking at the child. The background is a large, ancient-looking tree with thick roots and lush green foliage. Sunlight filters through the leaves, creating a warm, golden glow. The scene is peaceful and magical.

As the day ends, Majd sits with friends by a big tree. They share stories and snacks. Sharing makes everyone happy!

Majd looks at the stars. 'The forest is safe!' they say. Friends smile. Together, they made a difference. That's true friendship!

A young boy with dark hair, wearing a dark blue long-sleeved shirt and dark blue pants, stands on a dirt path in a lush green forest. He is waving his right hand. To his left, a squirrel with a bushy tail sits on a mossy log, also waving. Two small rabbits are on the path, one near the squirrel and one further right. In the background, several spotted deer are visible among the trees. The scene is bright and cheerful, with sunlight filtering through the leaves.

Majd waves goodbye to the forest. 'I will come back!' they promise. Every adventure brings new friends and fun.
